

## **College Use of Performance Facilities on Central Campus**

Approved by CPCC Cabinet

The Performance Facilities at CPCC's Central Campus are designed to serve the college as specialized facilities built to accommodate the College and Community for their arts, cultural and meeting needs. The Performance Facilities include: Dale F. Halton Theater and support facilities, Pease Auditorium and support facilities, Tate Hall, Bryant Recital Hall, Time Warner Cable Student Commons Rehearsal Hall (OC-300) Gallery Reception Room (OC-113) and Taylor Gym.

### **How is an Internal CPCC College Event defined?**

- An Internal College event is designed and organized by a campus division exclusively for students, faculty and/or staff.
- All other events, inclusive of ticketed events, those to which the public is invited, and those involving a third party organization will be considered outside events and are subject to rental fees, as detailed in the Venue Fee Schedule.
- An Internal College event which requires the use of a theatre (i.e.: drama, music events and dance) will be given preference\*\*. Events which have no special needs for a theatre venue, (i.e.: presenters, or speakers), may be directed to other available rooms on campus.

### **How much does it cost to reserve a Performance Facility for an Internal College Event?**

- Internal College events occurring between the hours of 8:00am and 5:00pm Monday through Friday are not subject to rental charges, although they may be rescheduled within one week of the event to an alternate venue if a rental opportunity arises. All after-hour events are subject to rental and service charges.
- Internal College events may avoid the "reschedule" clause above by choosing to incur the fees detailed in the Internal Event Fee Schedule.
- If a campus event requires technicians or other staff be hired and/or requires other expenses in support of the event, these costs will be passed on to the user of the space.
- Call 704-330-6840 for information about fees for Internal College events.
- Payment for service fees is due 15 working days after the billed date to be paid through budget transfer between accounts.
