### What this technical packet contains

The purpose of this material is to orient the user to the specifics of the facility and equipment in Central Piedmont's New Theater at Central Campus of Central Piedmont Community College. This packet is not exhaustive in its resources. However, it should provide the reader with enough reference material to accurately plan an event. In this document you will find descriptions of the space and its equipment. If your event requires more information than is included here, please contact the Technical Director (front page, last page contact info) of the Performing Arts Center with your request.

### Theater Space

**Stage Size:** Dimensions 37' wide and 25' deep

**Audio:** Yamaha CL3 audio mixer with Dante Interface; wireless microphones; QSC amplifiers; listening system using induction loop
